***Please note: The above files were also submitted using EFS at 8:57 pm, 10/4/10, PST, tonight, but when I clicked on the "submit" for payment, the system froze up and I was unable to complete the transaction. When I logged back in it said the transaction is "in progress". I do see that there is an EFS-ID of 674324, but it won't let me "view" or continue. So, I am also faxing the above documents.
